Distribution of relief items after hurricane Dorian

HURRICANE DORIAN:

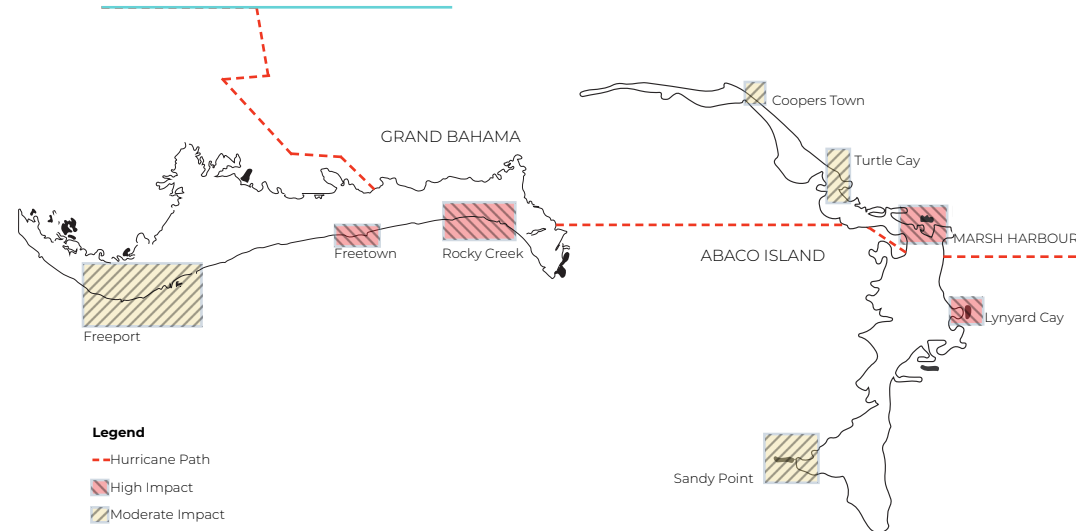

Category 5 Hurricane Dorian, impacted the Northern islands of The Bahamas from **September 1st to September 3rd, 2019** for approximately 68 hours. Hurricane Dorian devastated Abaco, Grand Bahama and the surrounding Cays, with the southern eye-wall remaining “stationary” for approximately 36 hours over Grand Bahama. At the peak of strength, sustained winds increased to **185 mph and gusts up to 220 mph**. The estimated rainfall was 12-15 inches and **storm surge, 18-23 feet above sea level**.

MOVEMENT RESPONSE:

The strength of the Red Cross is our combination of community-based and global support. The response to Hurricane Dorian has involved **18 national societies** from around the world supporting the Bahamas Red Cross Society (**TBRCS**). This coordination under the International Federation of

the Red Cross and Red Crescent Societies (**IFRC**) in partnership with the efforts of the International Committee of the Red Cross (**ICRC**) allows the response reach those impacted by the hurricane in a timely and effective way.

DISTRIBUTIONS MAP

American Red Cross

The American Red Cross has established a 12-18 month delegation in the Bahamas in support of the Bahamas Red Cross. Thus far, the American Red Cross has also committed \$6.1 USD million and has deployed more than 35 disaster relief specialists to the relief operation.

Canadian Red Cross

The CRC established a delegation in support of the TBRCS in the areas of Case Management, Construction, and Preparedness. Through the Canadian govt. and donations from the Canadian people, the CRC has deployed 10 humanitarian aid workers to support the relief operation and assist the BRCS through their recovery.

TBRCS: FROM RELIEF TO RECOVERY

The Bahamas Red Cross Society (TBRCS) is raising a relief fund from local and foreign donors to support those impacted by Hurricane Dorian. They launched an **Amazon Wish List** and worked with local transport companies, **Nine to Five Imports LTD**, and **Post Boxes** to support the efforts of supplying basic human necessities and items to help with the clean-up and recovery. In addition to this, two international flights arrived in September with relief items and supplies from the international Red Cross movement (**IFRC**) needed to initiate recovery actions.

With the support of IFRC, the TBRCS has already **reached over 6,500 families** through the distribution of relief items and more than **600 families through multi-purpose financial** assistance in New Providence, Abaco, and Grand Bahama.

RED CROSS MOVEMENT

ICRC

The ICRC, in coordination with the TBRCS, has been supporting the implementation of Restoring Family Links (RFL) services to reconnect families separated by the hurricane. As of October 30, the RFL team has collected information and has been tracing 164 missing people, among these 43 cases were successfully resolved through family reconnections.

IFRC

The IFRC Surge Team is coordinating with the different partners in the field to have one jointly coordinated response focused on relief activities and a strong focus on recovery. The IFRC through the Surge response system and with the support of the Red Cross Movement has a 51-person field team in The Bahamas covering 15 areas

RESPONSE STRATEGY

Hurricane Dorian

SHELTER

2,000

Households (HH) receiving **Essential items** during emergency phase, and being distributed to HH that have suffered major damage

1,250

Households will receive **Cash for rent & repairs** in the recovery phase mid-term

WASH

2,000

Households receiving access to **Safe water** daily

2,000

Households provided with **Hygiene-related goods** and training

5

Community-Based Boreholes/wells rehabilitated

HEALTH

2,000

People provided with **Rapid medical management**

2,000

People provided with **Psychosocial support**

6,000

People reached through **Epidemic Prevention messages**

LIVELIHOODS & BASIC NEEDS

2,500

Vulnerable Families receiving **Multipurpose cash and voucher** assistance to cover Basic Needs

100 Fisherfolk, **100** Small

Businesses and **1** Fisher House receiving **replacement of lost for damaged assets**

PGI

Provide equitable access to basic services, considering different needs based on gender and other diversity factors

Prevent and respond to sexual- and gender-based violence (SGBV) and all forms of violence against children

RESTORING FAMILY LINKS

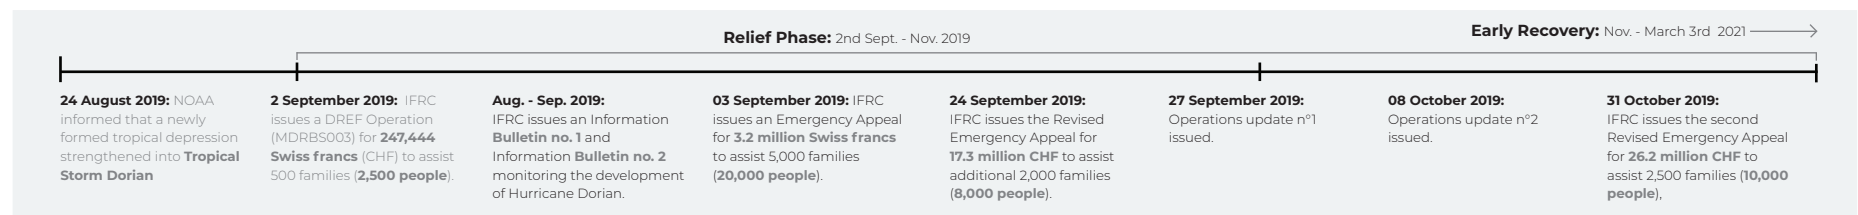

Family links are restored for people separated from, or without news of, their loved ones as a result of the disaster

Support to National Society with experts from ICRC (1 RFL Delegate, 1 RFL Data Manager, 1 Forensic Specialists)
